

ENDOWMENT FUND

You are the future of Piedmont Community Church. Whether you're experiencing worship on a Sunday morning, or a sense of gratitude for the many friendships made years ago, your church community is important to you.

The Endowment Fund of Piedmont Community Church provides the security your church needs to ensure long-term financial viability.

The Fund provides an extraordinary source to meet emergency situations, and offers a natural place for receiving legacy gifts from members and friends who include Piedmont Church in their estate planning.

The Fund also helps to meet specific, longer term needs identified by the Board of Trustees in support of church missions that are important to you - including outreach, youth ministry, worship and building and repair activities.

Unlike the annual Stewardship campaign designed to meet the current operating needs of the church, the Endowment Fund is more like a 401(k) account.

There are two ways you can contribute to the Fund:

- Include Piedmont Community Church in your will or estate planning, or
- Make a current gift of cash or other property (e.g., purchase a brick for a minimum \$500 donation in honor of your family or loved one).

In either case, you will become members of the Wallace & Mary Alexander Founders Circle.

If you are already members of the Founders Circle, consider making an additional gift to the Endowment Fund as a sustaining member.

Your gift will help secure the future of the church that has become an important part of your life, and your legacy.
