

PCC Mexico Missions Trip 2020
Student Leader Application

Three years ago we implemented an application process for the Student Leader positions. We did so to help ensure the quality of the homebuilding process and also to make sure the whole leadership experience goes well for you and the team you may lead. Please answer the questions listed as thoughtfully as you can. The applications need to be submitted to Scott (box outside my office) by **Friday September 6th at noon**. You will also have to contact one of your Adult Leaders from a previous trip and ask if they will give you their endorsement as a student leader. You will not be considered as a leader without this. When and if you do find an adult to recommend you they will have to email Scott (scott@piedmontchurch.org) to complete your application. The first mtg. for Student leaders will be **Saturday 9/14 at 2:30pm**. It's going to be a great year!

Questions

Your Name _____

1. Please explain why you would like to be a student leader on the Mexico trip.

2. What qualities have you seen in the student leaders on your teams in the past that made them effective leaders?

3. What qualities have previous student leaders not exhibited and as a result poorly affected the team and building experience?

4. What will be your biggest challenges if you are chosen to lead?

5. What years have you participated on the trip? _____

6. Will you commit to attending all required meetings and Mexico Rocks? _____

7. Please list possible Partners you would request to lead with. _____

8. Please list possible Adults to lead with.
