

**PCC Mexico Missions Trip 2021**  
**Student Leader Application**

Four years ago, we implemented an application process for the Student Leader positions. We did so to help ensure the quality of the homebuilding process and also to make sure the whole leadership experience goes well for you and the team you may lead. Please answer the questions listed as thoughtfully as you can. The applications need to be submitted by mail to Scott Kail at 400 Highland Ave. Piedmont 94611 by Friday 9/11. You will also have to contact one of your adult leaders from a previous trip and ask them if they will give you an endorsement as a student leader. If they agree they need to email Scott at [scott@piedmontchurch.org](mailto:scott@piedmontchurch.org) to complete your application. The first Student leader mtg. will be via Zoom on Saturday 9/26.
