## Nextgen - Love in Action

What a joy-filled Sunday! Our NextGen Valentine's Party was a beautiful reminder of the community that's growing here—kids, students and families laughing together, sharing food and building meaningful connections. Even more special was the heart behind it all: decorating cookies and creating Valentine cards for our ministry partners as a tangible way to share love beyond our walls.

We're grateful for the spirit of generosity that filled the room. This is what community and love in action looks like.

## Recap - Weekend of Faith, Friendship

Our Winter Student Retreat in Lake Tahoe was a meaningful weekend of connection, growth and joy. New friendships were formed as students shared meals, laughed together and stepped away from daily routines to be fully present with one another.

Through teaching, small groups and times of reflection, students explored how Scripture is living and relevant—offering wisdom, hope and guidance for the questions they face today. We're grateful for the students and volunteers who made the weekend so impactful and for the ways God was at work strengthening both community and faith.
